Applications, selection criteria, and additional information can be found at your local branch or on our website at **MarineCU.com/Scholarships**.

Applications must be received no later than February 10, 2019.

A Note from our CEO

Let me first express my warm welcome to all of our new members reading this newsletter – our circulation just grew by more than 10,000 households! In October we completed the acquisition of 10 branches throughout Wisconsin from Old National Bank. We are humbled to welcome you to the Marine Credit Union family and look forward to serving your financial needs.

When our financial lives are unstable and unsupported, many times we cannot achieve the goals we have for our lives. Even worse, unmet financial needs affect other basic human needs – safety, security, happiness and sleep.

Recently, a member walked into our branch in Fond du Lac on the verge of tears. She had received a car loan from another financial institution a few weeks back and felt rushed and pressured. Since then, her bad feelings about the loan had consumed her to the point she wasn't sleeping.

Valerie McClyman, the lender who met this member immediately sensed her distress. She put all her effort and energy into making things right. She restructured the loan to meet a monthly payment the member was comfortable with and slowed the whole process down, asking to make sure the member understood every step and detail along the way.

Before leaving the branch, the member asked for one more thing: a hug. A day that began clouded in worry opened up, and she got back to more important things in her life.

At Marine Credit Union, we are striving to make more of these moments. Thank you for the opportunity to serve you.
